## Introduction

Offering drinking, dining and entertainment at one venue in the heart of Knightsbridge, Nozomi is unique - an established restaurant and bar, renowned for its world class contemporary Japanese cuisine, lively atmosphere and well-heeled, international clientele.

The main restaurant has 200 covers and is open Tuesday to Sunday for lunch from 12pm until 3pm and everyday in the evenings for drinks and dinner from 6:30pm. Set menus start at £79 per person with dishes served centrally on platters in the traditional manner, giving guests the opportunity to sample and taste several different specialities.

Nozomi is available for exclusive private hire and for drinks and canapé receptions. Its excellent location in the heart of the Royal Borough and its outstanding service makes it ideal for both private and client entertaining.

## Lunch and dinner parties at Nozomi

With its glamorous yet relaxed interior, Nozomi is perfect for lunch and dinner – both private entertaining and corporate parties large and small. The extensive wine, cocktail and sake list features rare and unusual bins alongside world-renowned names.

Star dishes include Black cod, Seared wagyu beef salad, New style toro sashimi and Whole fresh Canadian lobster with chilli ponzu dressing.

## Exclusive hire at Nozomi

Nozomi's extensive premises can be arranged according to clients' requirements - free of furniture, the whole restaurant and bar holds 300 people for a standing reception or 200 seated, across three floors. The regular DJ entertains late into the night, allowing guests to dine and dance under one roof.

The raised ground floor restaurant is flooded with natural daylight or moonlight from the dramatic panoramic glass atrium. With its oak and wenge inlaid floors, off-white pleated silk lined walls and luxuriously soft leather banquettes, Nozomi exudes 1920s glamour.

## Private parties at Nozomi

Our two first floor dining rooms offer magnificent semi-private areas, ideal for seated dinner parties of up to 30 and 40 people in each room, or standing receptions - combined, they hold 80 people for drinks and canapés. Alternatively, the entire floor can be reserved for a private party, with one room for aperitifs and the second for a sit down dinner.

## Cocktail and canapé events at Nozomi Bar

Nozomi's award-winning bar boasts a formidable list of inventive cocktails, a luxurious ambiance and atmosphere and an interior to match. Dark wenge floors, bespoke muted silver seating and the stunning black granite bar provide a modern backdrop with subtle Art Deco influences.

The Nozomi Martini is a refreshing combination of fresh lychees and blueberries, shaken with Absolut citron and a hint of rose petal water, cut with Japanese yuzu – a metaphor for the restaurant's deft use of both classic and contemporary, European and Asian ingredients.

The in-house DJ plays every evening in the bar, seamlessly merging drinking, dining and entertainment.
